### ATTENTION GOOSE HUNTERS

The North Dakota Game and Fish Department announces the following summary of regulations from amendment number one of the 2021-2022 Small Game, Waterfowl and Furbearer Proclamation.

### 2022 SPRING LIGHT GOOSE CONSERVATION ORDER February 19 - May 15, 2022 — Statewide

• Resident hunters must have a current hunting certificate, a small game license if ages 16 and older, and a general game and habitat license (or combination license). Note: 2021-2022 licenses expire on March 31, 2022.

• Nonresident hunters must have a 2022 nonresident spring light goose license (\$50.00). This license enables nonresidents to hunt statewide for the entire duration and does not affect their eligibility to purchase a regular nonresident waterfowl hunting license for the fall 2022 season.

• All 2022 Spring Light Goose Conservation Order hunters must register with the Harvest Information Program (HIP). HIP registration for ND can be obtained with license purchases through the Department's website. HIP registration for this conservation order is also valid for fall hunting.

The Federal Waterfowl Stamp is not required for the conservation order. Only light geese may be taken. Light geese include snow geese, blue geese, and Ross's geese. They may be taken statewide from February 19 thru May 15, 2022.

There will be no daily limit or possession limit on light geese during the conservation order and shooting hours will be from 1/2 hour before sunrise to 1/2 hour after sunset.

• Electronic and recorded calls, as well as shotguns capable of holding more than 3 shells, may be used to take light geese during the conservation order.

• All Waterfowl Rest Areas designated for 2021 are open during the conservation order.

• Non-toxic shot is required for hunting light geese.
