FOSTER COUNTY

The North Dakota Game and Fish Department announces the following summary of regulations and changes for the 2023-24 chronic wasting disease proclamation.

Whole carcasses of animals harvested in North Dakota can remain in the deer unit or may now be transported anywhere in the state. However, carcass waste must be disposed of via landfill or waste management provider. This does not apply to heads dropped at CWD collection sites or lymph nodes submitted for CWD surveillance. Taxidermists and game processors can also accept intact carcasses of animals harvested within North Dakota but assume responsibility for disposal.

Hunters are prohibited from transporting into North Dakota the whole carcass or parts, except the lower-risk portions, of deer, elk, moose or other members of the cervid family harvested outside of North Dakota.

A complete 2023-24 chronic wasting disease proclamation is available from the NDGF Department, 100 North Bismarck Expressway Bismarck, ND 58501-5095, Ph: (701) 328-6300, or online at www.gf.nd.gov.
