PRATT TRUSS BRIDGE AVAILABLE FOR ADOPTION IN FOSTER COUNTY, NORTH DAKOTA

Foster County in cooperation with the North Dakota Department of Transportation (NDDOT) is proposing the removal of Bridge No. 16-121-03.0. This structure is on the National Register of Historic Places, therefore the bridge must be made available for adoption prior to the removal under the Bridge Adoption Program pursuant to 23 USC 144. Foster County is announcing that one or more of the segments of the historic bridge are currently available for adoption during a 14-day advertisement period ending October 16, 2023. The Foster County bridge is located 2 miles west and 1 mile south of Grace City on the James River. The bridge is a single span steel truss bridge, built in 1925 and spans 103 feet. The bridge has a reinforced concrete deck approximately 18 feet wide with a gravel overlay.

The Foster County bridge is available to any responsible state, local or private agency willing to take ownership of, relocate and preserve the bridge in a new location (preference will be given to public entities). The adoption party would be responsible for maintaining the bridge segment(s) and would assume all future legal and financial responsibility associated with the bridge. In order to facilitate adoption, Foster County and the NDDOT will fund the disassembly, loading and transport of the bridge within a 100-mile radius of its current location. The Foster County bridge is currently in use but limited to traffic with weight restrictions. Removal of the bridge is anticipated to occur in 2024.

For more information or to express interest in adoption, please respond by October 16, 2023 to:

Ellen Roundy, Auditor
Foster County
