Congrats!

The Carrington City Library Board passed a tobacco-free grounds policy. This policy helps to protect the health and well-being of residents and visitors who utilize the Carrington City Library and Community Room.

The policy gives our residents the opportunity to model tobacco-free behavior as a powerful tool in teaching our children how to be healthy.

Help Wanted

The Foster County Soil Conservation District is currently taking applications for:

- **Summer Tree Planting Crew** - Duties will include hand-planting trees, mechanical tree planting, weed barrier application, tree shelter installation, and weeding of tree rows. Majority of work will be outdoors. Work will begin in May and can extend into the end of July, depending on workload and ground conditions. Starting pay is \$15 per hour with incentives for workers who stay the entire summer term. Monday through Friday work week with occasional weekends as needed.
- **Seasonal Tractor Driver (part-time)** - Duties will include custom planting of grass/cover crop using the district's no-till drill and tractor. Work schedule will be sporadic and is limited based on when and how many producers sign up for this service. Preferred applicant will have tractor and basic mechanical experience. Applicant must be able to work independently. Duties will also include working collaboratively with SCD staff and landowners to schedule times and dates for plantings.

For more information or to get an application, contact Foster County Soil Conservation District office, USDA Service Center, 6720 Hwy 200, Carrington, ND 58421, or call 701-652-2551 ext. 123, or email: easton.brown@nd.nacdnet.net (50)

2022 National FFA Week

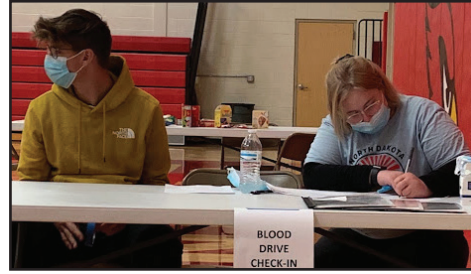

The National Celebration of the National FFA Organization
FEBRUARY 19-26, 2022

Support Agricultural Education

Ag. Mech. - **Wyatt Neuman** placed ninth in the State Intermediate Ag. Mechanics contest. He received a jig saw for his achievement.

Blood Drive - **Cayler Ellingson** and **Lexi McClean** were two of the committee members for the FFA Blood Drive that was held in November. Over 20 units of blood were donated by students, staff, and community members.

FFA Motto

Learning to Do
 Doing to Learn
 Earning to Live
 Living to Serve

FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth, and career success through agricultural education.

NATIONAL FFA WEEK February 19-26, 2022

The National FFA Organization is the country's largest youth organization with over 500,000 members nationwide. FFA changes lives and prepares young people for success with a wide range of academic, leadership and career development activities.

FFA is not extracurricular! It combines classroom instruction with hands-on experiences. FFA helps prepare students for careers in the science, business and technology of agriculture. FFA members don't just tackle rigorous academic coursework — they make it relevant through practical applications throughout the year.

FFA is found in urban, suburban and rural schools in all 50 states, Puerto Rico and the Virgin Islands. With more than 7,200 chapters, FFA uses agricultural education to create real-world success. With agriscience, agribusiness and other specialty subjects a part of today's curriculum, agricultural education has something for everyone.

FFA members have opportunities to take part in leadership conferences, international travel and conventions. With more than 300 careers in the agriculture industry, they are our future chemists, veterinarians, politicians, horticulturalists, ranchers and teachers.

Land Judging - FFA members have many opportunities to compete in a variety of events. The land judging contest requires them to evaluate the texture, slope, and depth of the soil and make recommendations for how to best utilize the class of soil.

Trisa Schroeder has developed her Supervised Agricultural Experience Program in the area of beef cattle production. She raised commercial Red Angus cows and strives to produce heavy weaning calves.

Judging Contest - Each March, the Carrington FFA Alumni hosts and Ag. Sales, Agronomy and Livestock Judging contest. The event is attended by over 400 FFA members from across North Dakota.

Crop Samples - **Karlee Lesmann, Trapper Depew, Baylee Lura, Joe Lindberg, and Izzy Neuman** received Grand Champion honors for their crop samples at the North Dakota Winter Show.

State Star in Agribusiness: **Trapper Depew** was named the 2021 North Dakota State Star in Agribusiness. He developed a Supervised Agricultural Experience Program that involved trapping minnows from area sloughs and selling them to a bait shop.

Wrapping Gifts - The last line of the FFA Motto is "Living to Serve". FFA members assisted Thrivent with wrapping Christmas presents that were given to kids in the community.

National Agronomy - **Trapper Depew, Jacob Rexin, Elizabeth Lee, and Joe Lindberg** placed 3rd in the National Agronomy Carr Development Event held at the National FFA Convention in October.
