

NATIONAL EMERGENCY MEDICAL SERVICES WEEK 2023

May 21-27, 2023 is the 48th annual National EMS Week.

EMS Week is presented by the American College of Emergency Physicians (ACEP) in partnership with the National Associations of Emergency Medical Technicians (NAEMT). Together, NAEMT and ACEP lead annual EMS Week activities. These organizations are working to ensure that the important contributions of EMS practitioners in safeguarding the health, safety and well-being of their communities are fully celebrated and recognized.
